Priya Provincial acha,

You made history. This is the first time our Province owned Malpanachan. What you did today at Pallippuram will have a far-reaching impact. Thank you and may God bless you with energy and inspiration to do such fruitful ministries.

Dear Palackal Acha,

thanks for your great words of appreciation and encouragement. What we have done is only a part of our responsibility. Of course it is only a beginning. Let's do our best to propagate the memory and legacy of our great founder and visionary, Palackal Thoma Malpan. I think it's a tribute to Fr Mathias also.

with love,

Fr Benny Nalkara, CMI
