Hello Fr, Joseph--

The Christmas card you sent us with the image of the Blessed Mother and the Infant Jesus is beautiful. The written description on the back, which you authored, was wonderful to read. And, that it came from your home town in India is even more wonderful. You are truly a scholar! Thank you for the card and blessings.

We hope you are well and safe during these unusual times in which we live. We hope pray we will all have a peaceful, healthy and happy 2022.
